VIRUS PROTECTION PANELS

FULL PROTECTION FOR STAFF & CLIENTS

Full virus protection for the workplace.

Ideal for Retail, Offices, Receptions, Pharmacies, Banks/Building Societies, Post Offices, Hair & Beauty Salons and many more.

Quickchange is an established UK business that specialises in commercial and retail solutions.

Our range of virus protection panels have been developed based on the requirements of existing clients who include:

YBS GROUP

Santander

Nationwide

All screens have been developed using a premium 6mm grade 1 acrylic and are totally free-standing and include a pass-through aperture. Screens require no special installation and are maintenance-free - requiring regular cleaning only.

Please contact us for bespoke options and volume pricing.

Features

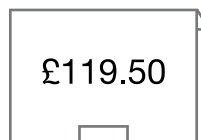

Clear acrylic hygienic panel | High polished edges
Return top that doubles as handle | Pass-through aperture
Built-in feet either side | Fully radiused corners |
